

MULTIMEDIA MINISTRY

Dear Pastor Cruse,

Time flies as you know but did you realize that SLBC is coming up on 15 years of broadcasting its programs on WIXE? The time had gotten away from me!

I want to let you know that your programs, both the Sunday morning and the Sunday evening program are very much appreciated. Not only by myself, but to countless listeners. Many of these listeners are homebound and this is the only way for them to “participate” in the program. Many other people find the broadcast very convenient to listen to. Others still, find the broadcast by “button-pushing” in the car. I wonder how many come to the Lord “by accident” that way?

The programs have meant a great deal to so many listeners over the years and SLBC should be commended for making this ministry possible.

Thank you again,
Archie Morgan
President - WIXE 1190

Greetings!

I came across your email on the internet, as I was looking at Independent Baptist Churches. I really liked your church website.

I also want to say, Pastor Cruse, I watched your 20th wedding anniversary video and it blessed my heart. My wife and I have 3 boys - 5, 3 and 4 months old. We've been married 7 1/2 years.

God bless you in your ministry,
Pastor Jerry Beaver
Victory Baptist Church - Pleasant Prairie, Wisconsin

Dear Pastor Cruse,

It has been a considerable privilege for us to be able to broadcast “The Shining Light” over the Caribbean Radio Lighthouse. It is the keystone program in our Sunday evening schedule, and the only evening church service that many of our listeners will have.

I recently had a lady tell me how much she enjoys the program, and how she appreciates the fact that Pastor Cruse is a “praying pastor.”

You probably do not get much letter response, if any, to the program, but don't let that be a discouragement to you. Time after time West Indians have told me, “We don't write.” However, wherever you go in the islands you hear CRL playing.

There will be many churched, but unsaved, people listening at that hour (7:30) as the islands are very religious, and on Sundays particularly, will be listening to Christian radio. My only regret is that we are all in our own churches at that time, so rarely get to listen!

Thank you so much for sharing your ministry with our listeners.

Yours in Christ,
Curt Waite
Caribbean Radio Lighthouse

We are pleased to air messages by Pastor Tim Cruse on FBN's Selected Program once per month at 9:05 pm Eastern. His messages have been a blessing to many of our listeners, and we get requests from our listeners for contact information in order to obtain their own copy of the message. We appreciate the part that Pastor Cruse has in our ministry!

In Christ's Service,
Michael D. Ebron, General Manager
Fundamental Broadcasting Network
