Shining Light Baptist Church

Shining Light Baptist Church (SLBC)

It was so good to be back at my home church. I kept very busy but it was a profitable time. Usually when I get back, I spend the first day or so catching up on "Barnabas Stuff". I spent time with the folks who look after my finances, keep my books, print and send out my prayer letter etc.... I spent longer than normal just updating my prayer letter mailing list. Many not receiving it because of address changes, some had moved and others addresses had changed because of 911 regulations. If you know of anyone who is not receiving my letter and would like to, please have them call me or my home church. If you are in the process of moving please advise so we can make the proper changes. I do appreciate my faithful readers, supporters and prayer warriors.

Super Saturday Visitation

I was at my home church for a week and was truly blessed to be there for Easter (Resurrection Sunday). The Saturday before Easter a special

effort was made to invite as many as possible to the Sunday service. Fifty workers showed up and the various pictures show some of the activities of the day. Above is Pastor Cruse sending workers out on the buses. The pictures below were taken in a neighborhood where we were visiting. There was a basketball game going on and some of our teens got out and played a little ball with the kids. When all was said and done we invited them to the services on Sunday and some of them showed up.

Resurrection Sunday

We had a good Easter service. Pastor Cruse preached a wonderful message. As Christians, we base our faith on the resurrection. You can go to the tombs of Buddha, Confucius and all of the other false religious leaders of the past and they are there in their tombs. If you go to Jesus' tomb, you will not find Him, He is risen. If we will put our faith in His death, burial and resurrection, we too will be raised with Him.

A Personal Note From Your Barnabas

April was an unbelievable month of ministry. I'm telling you, I worked in offices, painted doors, put playground equipment together, mowed lawns and much more. I started April in Greenville, SC with my children for a few days. While I was there I was able to have a nice breakfast out with Pastor and Mrs. Bryce Hagar. From Greenville I went to be with Pastor Bo Wagner where

I was able to give an update on my ministry and teach Sunday School. Sunday evening I had a nice visit with Pastor Andy Stevens and had fellowship with the Measler's after church. Monday I drove to SLBC (explained above). The following Monday I drove to Pineville and had a good week of ministry with Pastor Charlie Scott. Pastor Scott allowed me to give an update

on my ministry and preach in the Wednesday evening service. I was with Pastor Ken Walters the following week where I had a good ministry and was able to give an update on my ministry. From there I went to Pastor Dan Qurollo's. Pastor Dan kept me busy and allowed me to give an update on my ministry & preach on Sunday evening. Your Barnabas, Gary
